Membership:

There are two (2) classes of membership; regular and associate, which are both service providers for the forwarding and brokerage community.

Regular Membership

\$200.00, per year

The regular membership of the Association shall include only, and shall be restricted to; persons, firms, or corporations regularly and primarily engaged in business as licensed and permitted customs brokers and/or licensed international freight forwarders at the CBP Port of Boston. Such persons, firms, or corporations shall be admitted for membership as business firms only, and in all matters coming before the Association only one (1) vote will be permitted to each member.

Associate Membership

\$200.00, per year

Any person, firm, or corporation who is not eligible for regular membership is eligible for non-voting associate membership upon compliance with such requirements as the Board of Directors may prescribe.
